

GOVERNOR SMALL IS ANXIOUS TO SECURE WOMEN ON HIS JURY

Attacks Legality of the Jury Panel Because
It Contains No Women Voters Names
—May Necessitate Remodelling of Court
House—Decision is to Be Made April 5

(By The Associated Press)
WAUKEGAN, Ill., April 3.—Governor Len Small wants women to sit on the jury which will try him on charges of conspiring with Fred E. Sterling, lieutenant governor, and Vernon Curtis a Grant Park banker to embezzle state funds.
Today the governor attacked the legality of the jury panel because the Lake county board of supervisors had failed to include the names of women voters in it. Taken by surprise attorneys for the state obtained 48 hours delay to prepare their answer. Attorneys for the governor read an affidavit signed by him asserting that the board of supervisors had failed to comply with the legal requirement that names of 10 per cent of the qualified voters be placed in the jury box and had, in fact, listed only 10 per cent of the male voters, ignoring the women.
Werner Schroeder, of defense counsel, declared that even though it should be held that women may not sit on the jury the supervisors should have compiled a venire based on the total number of votes cast by both men and women. He cited court decisions in other states in support of the contention that women may serve on juries.

FIRST SKIRMISH IN SPRINGFIELD FRATERNITY CASE

Suit as to Board Control
of Secret Societies in Court

(By The Associated Press)
SPRINGFIELD, April 3.—The first legal skirmish in the war between students and the board of education of Springfield High School on the anti-fraternity act occurred today. Arguments on the school board's demurrer to a bill for injunction to restrain the board from expelling students refusing to sever fraternity connections were heard by Judge Frank W. Burton, who reserved decision.
Attorneys for both sides frankly admitted that regardless of Judge Burton's action, the case is headed for the supreme court for a test of the validity of the Anti-Fraternity Act of 1919, which prohibits high school students from membership in Greek societies.
Pending final court action no students will be expelled the board announced. The bill for injunction was filed by Bert Sutton, in behalf of his son, Robert Sutton, a student.
In his argument, B. L. Catron, member of the constitutional convention and attorney for the school board, contended that the validity of the act was virtually sustained by the supreme court in the Oak Park case in which the court upheld anti-fraternity rules promulgated by the Oak Park board. The Oak Park rules, Mr. Catron asserted, were practically written into the act of 1919.

SHOOTING OCCURS IN INDIANA COAL FIELDS

(By The Associated Press)
TERRE HAUTE, Ind., April 3.—Two men were injured, one probably fatally in disorders in the Clinton Mining Fields, according to reports tonight. Harry Davis, proprietor of a soft drink establishment at Syndicate, three miles south of Clinton was fired on from ambush on his way home this morning. He is in a local hospital suffering with wounds in the head, abdomen and both legs. Forty shots were fired at Davis, it is reported.
An automobile bearing several strangers was seen leaving Syndicate shortly after the attack for which no reason is given.
Elmer Williams, a miner at Shepardsville, received a scalp wound yesterday when he attempted to interrupt a negro reported to be terrorizing the mining camp with a gun. The negro escaped.

CONDEMN'S MANN'S
VOTE ON ARMY BILL
CICAGO, April 3.—A resolution condemning the action of Congressman James R. Mann of Illinois, in voting to reduce the size of the United States army was adopted by the Advertising Men's Post of the American Legion. The resolution asserted that Congressman Mann was helping to cut the army appropriations "far below the margin of safety."

IMPORTANT CASE UP FOR HEARING IN FEDERAL COURT

May Cause Railroad Labor
Board to Close up
Shop

(By The Associated Press)
CHICAGO, April 3.—If the Pennsylvania railroad is upheld in its suit to enjoin the railroad labor board from handing down decisions the board must close shop and transfer all its proceedings to the federal courts. Blackburn Esterlin, special assistant to the attorney general of the United States declared today when the Pennsylvania injunction case came before Federal Judge Page.
Attorney Esterlin contended that the jurisdiction of the court did not extend over the board, that body being an administrative arm of the government.
The history of the controversy was reviewed by Attorney Esterlin after citing four cases in which the transportation act which the Pennsylvania attacks as unconstitutional, "had successfully withstood attacks in the supreme court."
He contended that the Pennsylvania had recognized the law and the board by reason of asking the board, in 1921, to terminate the old federal national agreements under which the road's employees still worked after the road was returned to private control.
When these agreements were finally abrogated July 1, 1921, by the board, it ordered conferences between all roads and their employees to draw up new working rules to replace the old agreements. The Pennsylvania refused to recognize system federation No. 90, the shops crafts union and held an election to name employee conferees. The federation did likewise but the road refused to recognize the union election, conferred with the representatives elected on the company ballot and employees have since been working under rules negotiated by those representatives.
The board held both elections illegal and ordered a new ballot, which the road declined to issue, bringing suit to prevent the board from issuing further decisions and restraining it from enforcing its new election decision.

SIMPLE CEREMONY AS BURROUGHS HOME BECOMES MEMORIAL

Villagers Come From All
Along Valley to the
Exercises

(By The Associated Press)
ROXBURY, N. Y., April 3.—The homestead farm in the Catskills, where John Burroughs was born, lived and is buried, today became a national memorial to him in a simple ceremony attended by several hundred of those who knew or admired the Naturalist.
Trudging up the snow covered mountains came villagers from all along the valley and others from various parts of the state. They assembled around the rustic fence that guards the last resting place of the naturalist and his "boyhood rock" that is his tombstone. Poems by Burroughs, by his friend, Walt Whitman, and others who wrote of nature's wonders were read.
Then his grandchildren, Ursula and John Burroughs unveiled a bronze memorial tablet imbedded in the "boyhood rock." The tablet is a base relief copy of the sculptor's "Summit of the Years," picturing the naturalist seated upon the "boyhood rock," and looking into the distance, one hand shading his eyes. It bears these two lines from Burroughs, "Poem, Wandering."
"I stand amid the eternal ways,
"And what is mine shall know my face."
When the ceremony came to a close will flowers were placed upon the grave.
Other floral tokens came from Henry Ford, who recently bought the Burroughs farm that it might be preserved as a memorial, and from Thomas A. Edison.

BUSINESS FAILURES INCREASED IN NUMBER

(By The Associated Press)
NEW YORK, April 3.—American business failures during March increased in number over those of March, 1921, but decreased in the total amount of capital involved had a report issued today by Bradstreet.
There were 2,307 failures, for a total of \$57,513,990 last month as against 1,590 for a total of \$6,688,350 in March, 1921.
For the first quarter year there were 7,111 failures for \$220,219,107 as against 4,931 failures for \$222,768,120 in the same period of 1921.

RIVER ON STAND AT CARRO TUESDAY

CAIRO, April 3.—The Ohio and Mississippi rivers have been on a stand still here at 50.4 feet with little change predicted for the next 48 hours. The Ohio from Shawneetown to Paducah will rise slowly for several days, it was predicted.

INEFFICIENCY REASON GIVEN FOR REMOVALS

Mellon Explains Executive Order Issued
Last Friday

(By The Associated Press)
WASHINGTON, April 3.—Reorganization of the bureau of engraving and printing thru the executive order issued last Friday by President Harding removing James L. Wilmett, its director and 25 other officials was explained today on the grounds of "inefficiency" by Secretary Mellon.
No charges involving the honesty of any of the dismissed bureau officials have been filed, he stated.
Mr. Mellon's explanation of the sweeping changes made in the administrative personnel of the bureau was the first official light thrown upon the president's action. Meanwhile, there has been speculation in official circles over the sudden removal of the officials and regulations calling upon President Harding to inform the senate, if not incompatible with the public interest, as to causes for the action taken in the bureau and under what authority of law the changes were made. Representative Moore, Democrat, introduced a resolution for the appointment of a special house committee to investigate the changes.
Efforts to obtain a personal explanation for their dismissal were made by Mr. Wilmett and former bureau officials who called at the white house when the president was going. They left a memorandum stating the object of their visit and indicated they would return any time Mr. Harding would see them, declaring they wanted to know why they were discharged and to have the opportunity of meeting any charges which might have been made and knowing who preferred them. They asserted they were unable to understand why they were discharged.

LOAN CAN BE USED ONLY TO BUY SEED

(By The Associated Press)
WASHINGTON, April 3.—Secretary Weeks, who is charged with the distribution of the \$2,000,000 seed loan authorized by congress announced today that the sum could be used only for the purchase of seed, and could not be used to relieve farmers hard pressed for cash. Asserting that innumerable inquiries had come asking if funds might be made available to those farm sections where crop conditions imposed financial embarrassment on the farmers, Mr. Weeks said: "The farmers might readily borrow money from their local banks if those institutions would rediscount some of the good agricultural paper now in their possession with the war finance corporation. If the banks would resort to this procedure they would be able to meet demands made upon them by farmers who actually need help and who cannot be assisted under the seed appropriation act."

CIRCUS ELEPHANT HAS BIRTHDAY PARTY

(By The Associated Press)
COLUMBUS, O., April 3.—Tillie, a huge elephant today celebrated her 106 birthday by being the best of honor at a birthday party held for her in the state house yard, attended by state and city officials.
Tillie took part in the festivities and ate her plate and cup and saucer and even the key to the city (made of bread) presented to her by Mayor Thomas. Professor Aloho Tuttle of the law department of Ohio State University presented the pachyderm with an honorary law degree on behalf of the law alumni of Columbus. The diploma was made of molasses.
Tillie trumpeted once and showed appreciation by devouring his token of esteem. A birthday cake two by four feet and containing 104 candies featured Tillie's able.

TWO SUICIDE AT BURLINGTON

BURLINGTON, Iowa, April 3.—Allen Gibson, 41, prominent farmer killed himself today by cutting arteries in both wrists, slashing his abdomen and cutting his throat. His body was found in the timber near the farm home, ten miles southwest of Burlington by a searching party of neighbors. Mr. Gibson had rented the farm and was about to move to California with his wife and two children. He is believed to have been temporarily insane.
Edward Siekman, 20, an employee of a local furniture concern ended his life here early this morning by taking poison and shooting himself through the heart. An unhappy marriage which was of but five weeks duration is believed to have caused the tragedy.

Brief Resume of Strike Situation

(By The Associated Press)
Both operators and miners stand firm in the country wide coal strike which has closed more than 6,000 mines leaving over 500,000 men idle.
Operators claim many non-union miners who were idle Saturday in observation of the anniversary of the eight hour day have returned to work.
Both sides agree that the strike is practically 100 percent perfect in the great central competitive field.
Operators assert many pits are in operation in West Virginia, Virginia, Kentucky, Tennessee and Alabama; Kansas operators agree to return to work scale May 1917, providing for a \$3 a day instead of the \$7.50 named in the present agreement.
Union leaders claim victory for striking anthracite miners thru offer of several independent companies to grant the miners' wage demands of the men would return to work immediately.
John L. Lewis, of the miners, told a house labor committee miners are prepared to "stay out indefinitely if need be until the operators sign up a basic wage contract for the central competitive field."

SAYS SHRINKAGE IN INTERNAL REVENUE IS NOT SUBSTANTIAL

Collections Are Estimated at
Billion and a Half
Dollars

(By The Associated Press)
WASHINGTON, April 3.—Despite a falling off of more than \$60,000,000 in the expected government receipts from income and profit taxes for March, Secretary Mellon announced tonight that shrinkage in internal revenue collections for the fiscal year ending next June 30 was not likely to be substantial, in view of collections of back taxes and increased collections of miscellaneous internal revenue.
But for the fiscal year 1923, Mr. Mellon declared, the total collections of income and profits taxes were likely to be about \$1,500,000,000 instead of \$1,715,000,000 as estimated in the budget, or a falling off of \$215,000,000.
"Collections of income and profits taxes during March, 1922," he said, "have amounted, on the basis of daily treasury statements, to about \$393,000,000 as compared with estimated income and profits taxes collections for the month of about \$460,000,000 and collections in March a year ago of about \$727,000,000. The estimate of \$460,000,000 for March was based on the figures for total collections for the year which appeared in the budget, the treasury has always regarded these figures as subject to much uncertainty because of the shrinkage in business and profits which occurred during the calendar year, 1921."
"It is interesting to note that March, 1922, collections in the Boston, New York, Philadelphia and San Francisco federal reserve districts were substantially in accordance with expectations and that the chief falling off occurred in the Cleveland, Chicago and Richmond districts."

HOUSE TURNS DOWN PROPOSAL TO PAY BOARD SALARIES

Refuses to Approve Report
on Appropriation of
\$35,000

(By The Associated Press)
WASHINGTON, April 3.—The House put its foot down firmly today on a proposal to pay salaries of \$35,000 to four shipping board officials refusing by an unanimous vote to approve the conference report on the independent office appropriation bill which would have authorized payment during the coming fiscal year of salaries of between \$11,000 and \$25,000 to six employees in addition to the four who could receive \$35,000.
The rejected limitation had been agreed to by the house and senate conferees as a compromise between a house provision and a senate amendment.
After criticizing the compromise limitation the conference report was recommended to the house managers with instructions to insist on a provision that no salaries in excess of \$25,000 be authorized.

WOULD CONTINUE IMMIGRATION LAW

WASHINGTON, April 3.—The present 30 per cent quota immigration restriction law would be continued two years from July next in a bill reported favorably today by the senate immigration commission. Such a bill recently passed by the house carried only one year's extension.
The additional year's extension was proposed by Senator Harris, Democrat, so expiration would not come while congress was in recess. The committee's action was said to mean postponement of general revision of the immigration laws at least until the next session of congress.
A proposal to bar all immigrants for five years was defeated 6 to 3, while another amendment by the Georgia senator to require immigrants to use American ships was lost 6 to 2.

HARDING PAIRED WITH HAGEN

Washington, April 1.—Walter Hagen, holder of the western open title, and former national champion paired with President Harding and Jock Hutchinson, of Chicago, British open champion, with Edward McLean, Washington publisher, played a foursome this afternoon at the Columbia Country club. They refused to make known the score.

COAL OPERATORS AGREE TO RETURN TO OLD AGREEMENT

Southwestern District
Would Put 1917
Scale Into Effect

(By The Associated Press)
KANSAS CITY, Mo., April 3.—Return to the wage scale of May 1917, was agreed upon by coal operators of the southwest after an all day executive session today. W. L. A. Johnson, general commissioner of the southwestern interstate coal operators' association announced.
The 1917 wage scale provides for a wage scale of \$3.60, compared with \$7.50 received under expiring agreement, a tonnage scale of 91 cents a ton in Kansas as compared with \$1.25, eighty six cents for Missouri as against \$1.20; eighty one cents for Arkansas as against \$1.15 and 81 cents for Oklahoma as against \$1.15.
"It was the sense of the association," declared Mr. Johnson, "in the matter of negotiation of a wage scale that in view of the competitive conditions of surrounding coal producing states that it was justified in basing such negotiations upon the May 1917 wage scale."
He added that the operators regarded "the proper official day wage," under the expiring agreement as \$6 not the \$7.50 which was paid, because \$6 was the amount awarded by the bituminous coal commission in April 1920 and the 1.50 granted in August 1920 was forced on us by threats of a wildcat strike and under duress.
Johnson said that the operators reiterated their willingness to enter at once into negotiations with United Mine Workers for the establishment of a wage scale.

HOUSE GIVES VOTE OF CONFIDENCE TO LLOYD GEORGE POLICY

Adopts His Resolution by
An Overwhelming
Majority

(By The Associated Press)
LONDON, April 1.—The house of commons tonight after an exciting debate adopted by the substantial majority of 278, Premier Lloyd George's resolution calling for confidence in the government's policy on the coming economic conference at Geneva.
The vote was 372 to 94.
Prior to this the house by a vote of 379 to 84, rejected an amendment proposed by John Clines, laborite, which, while approving an international economic and financial conference declared that the government was not competent to represent the country at such a conference. This result is regarded as exceedingly satisfactory for the prime minister as the combined laborites and independent liberals number about 100 and the "die hards" about 50 all of whom insisted that competition workers had gone out merely to await the results of a peaceful negotiation with their employers over a new wage scale, but that the bituminous workers were out indefinitely, if need be to obtain the signing of a basic wage contract.
The prime minister's speech inviting parliament to vote confidence in the government's Geneva policy was noteworthy inasmuch as it touched only lightly upon the political crisis at home and because it endorsed the French policy toward Russia altho Mr. Lloyd George displayed much sympathy for an entirely conciliatory attitude toward Russia, and further, in that it sought accommodation with the soviet government lest by waiting it might eventually be necessary to deal with a still more irreconcilable or militarist regime which might embroil all Europe.
While emphasizing that nothing could be gained by waiting for the overthrow of the soviet administration the prime minister accepted the French standpoint demanding guarantees with respect to Russia's debts and obligations and stipulating a period of probation of six months or a year but less if Russia gave the necessary guarantees before full recognition was accorded. The premier indicated his belief in the sincerity in the conversion of Nikolai Lenine and the soviet to a diluted form of communism.
Perhaps the most interesting of Mr. Lloyd George's proposals was that exchanges should be stabilized at some maintainable figure but no details were given as to how he proposed to effect this except that it might be gained by some form of international cooperation and pressure.

WANT LONG TERM FARMER'S CREDITS

(By The Associated Press)
WASHINGTON, April 3.—Creation of a federal institution similar to the federal reserve bank system to provide long term credits for farmers was proposed in a bill introduced today by Senator Simmons, Democrat, N. C., former chairman of the senate finance committee which was later referred to that committee. The bill set an agricultural banking system with regional districts and other attributes of the federal banking system.
Establishment of a "national agricultural credits corporation" to absorb the war finance corporation with \$500,000,000 capital for a revolving fund, all to be subscribed by the government was proposed. Loans would run for one to three years. The governing body would be a board of five members headed by the secretary of agriculture.
Senator Simmons told the senate that his bill would give farming interests the same credit facilities that commercial interests receive from the federal reserve system.

BRYAN ADVOCATES COOLING OFF PROCESS

Washington, April 3.—William J. Bryan today proposed to apply the "cooling off process" to industrial disputes as it is embodied in the 30 peace treaties negotiated during his term as secretary of state. As applied to industrial war the Bryan plan would forbid lockouts of strikers during arbitration. Mr. Bryan said he expected to bring his plan to the attention of coal operators and miners in the hope that it might be considered.

THE WEATHER

Illinois — Showers probably Tuesday and Wednesday, not much change in temperature.

TELLS COMMITTEE WHY COAL MINERS QUIT THEIR WORK

Miners Favor Government
Control of all
Properties

(By Associated Press)
WASHINGTON, April 3.—Discussion before the house labor committee today reasons why the 600,000 anthracite and bituminous coal miners stopped work last Saturday in the United States and Canada, John L. Lewis, president of the United Mine Workers, declared that the anthracite workers had gone out merely to await the results of a peaceful negotiation with their employers over a new wage scale, but that the bituminous workers were out indefinitely, if need be to obtain the signing of a basic wage contract.
The bituminous workers, Mr. Lewis declared before the house labor committee which is considering the Hagen resolution to direct appointment by the president of a labor board to investigate the coal industry are out to stay indefinitely if need be, until the operators of the central competitive field sign up a basic wage contract according to the pledge on which the other coal mining districts of the United States can settle.
In reply to questions as to why the union would not settle with operators in states and districts where work could be resumed under satisfactory conditions, Mr. Lewis insisted that competition would not permit the operators to fix wages locally without a knowledge of the scales their competitors would have.
"Even if the operators of Illinois for instance," he said, "are willing to sign up a new scale for themselves, without regard to competitors the union is unwilling to have members in Ohio, Western Pennsylvania, Indiana and West Virginia dragged into the suffering of a long strike, while the Illinois mine owners 'take the markets.'"
Altho holding that a national wage scale was the first essential, Mr. Lewis told Chairman Nolan of the house committee if congress or anybody else could get a representative number of operators from all the central fields into a conference those controlling a substantial tonnage "mean I shall advise the United Mine workers to negotiate with them for a new contract."

Refers to Bituminous Fields

In speaking of the general condition of the industry, Mr. Lewis referred for the most part to bituminous matters in view of the older location and importance of that industry as compared with the anthracite.
Altho the United Mine Workers stood for nationalization of coal mines with adequate assurance to property owners involved, he classed government ownership as "impossible at this time."
"Miners know they cannot hope to get more than 215 days work a year as things stand," he declared and that part time operation tends to increase its scale year after year. I believe congress could well set up a tribunal or a bureau to investigate at least and give the facts which might determine a policy."
Mr. Lewis paid his respects to what he termed a general financial demand for liquidation of labor and deflation of wages by declaring that there was "nothing constructive in the business viewpoint today and depression can be overcome by cutting wages and further lowering purchasing power of labor."

Non-union operators, he said, were ishamasities of industry who are fomenting industrial difficulties that they may get high prices.

Industry is Wasteful

The industry was tremendously wasteful, he asserted in its intermittent operation and likewise operators got used to large margins of profits during the war and want to retain them.
"In general," he declared that neither the anthracite nor the bituminous miners had secured wage scales which kept pace with the advanced cost of living during and after the war.
Profits in recent years in some mines, he said exceeded the total cost of production of coal.
Asked to outline the degree of regulation he thought the government might apply to the industry, Mr. Lewis sharply opposed the setting up of wage fixing tribunals, and likewise said he was not suggesting that the government fix prices. The question was not finished when he left the stand for the day to resume tomorrow.
Representative Hagen, Republican, Indiana, asked the strike leader to give his views of the prospects in the strike.
"I assume that the operators will be compelled," Mr. Lewis responded, "to recognize the obligation assumed in their contract to confer with the United Mine Workers for a new central scale and to recognize equally the desirability of such a new contract. I cannot conceive that they can long withstand the power of public opinion."

The Democrats are rejoicing because the Republican candidate in the special congressional election in Maine received only 62 per cent of the total vote. Since the normal Republican vote in that district is only about 45 per cent, the Republicans are also jubilant. For once, apparently, both Republicans and Democrats are satisfied with an election.

Secretary of War Weeks is urging the enactment of legislation that will prevent the limitation of production in the United States by reason of foreign-owned patents that are not being worked in this country. In some instances it is said that manufacture of materials is wholly prevented because of the obstructing patents.

Monday was another gloomy day and so the automotive men were congratulating themselves that they had not planned to continue the exhibit for another week in the hope of favorable weather and good roads. The show was a decided success from whatever angle viewed.

If all the men and women who have expressed their intention to

vote in the road district election in No. 7 today appear at the polling place the clerks and judges will have a busy time. Don't let any matter of inconvenience or bad weather change your intention to do your duty and take part in this election.

The suggestion that the federalization of mines is the proper solution of the differences between operators and miners will not bring forth a loud round of applause. The government operation of the railroads is a matter of too recent memory.

The Legislative Voters' league states that at the coming primary 85 per cent of the members of the Illinois general assembly will be elected. This means that for the very large majority of candidates nomination is election. The statement serves to impress the importance of choosing the best candidates for the general assembly at the primary.

President Lippincott was unable to be present at Monday night's session of the board of education. It is said that this was but the third time within six years that Mr. Lippincott has failed to be present at a meeting of the board. As Mr. Lippincott is soon to retire from the position at his own request, it is not out of place to mention that he has given the people of Jacksonville very valuable service during six years as presiding officer of the board. Mr. Lippincott is sane and reasonable and his attitude toward the board members has constantly been one to promote harmony and expedite business. The retiring president can lay down the duties of the position with the knowledge that he has performed a public service of real value.

LABOR SECRETARY SAYS NO NEED FOR STRIKES.
Hon John J. Davis, United States Secretary of Labor, in an

article called "Disarmament in industry," which appears in The Forum for April, writes:

"In the long run it is generally public opinion that finally decides the success or failure of a strike or lockout, and ends it. But to be a prompt, just and decisive judge, the public itself must have fairly accurate knowledge of all the great and little issues involved in dispute—the hours and conditions of work, the process of manufacture, the nature of operations, and so on. Hence it is that so many of the disputes in these key industries, such as railroads, and in a fog of misunderstanding on all sides, only to break out and end again in the same manner, repeated over and over. No one outside the industry, and not every one inside it, has understood what the war was about. And we cannot hope to have peace and disarmament in these industries until we have experts to tell us what dangerous issues or weapons of war ought to be scrapped, and so bring an enlightened public opinion to bear and enforce the scrapping. In short, we cannot successfully attack these dangerous spots in industry until we have a new type of conciliator equipped with the necessary technical knowledge—the expert."

OUT OF THE MUD.
The condition of some of the earth roads approaching Jacksonville has been for years the source of justified complaint. The commissioner of road district seven has charge of those roads, except the State-Aid roads which the County Board has recently taken in charge.

The revenue of the road district is ample to maintain good road conditions and the taxes for war purposes could be reduced. Road district 7 which includes Jacksonville and South Jacksonville will elect a commissioner today at an election to be held in Tobin's store on East Lafayette Avenue.

There are a number of candidates for the office. It is the duty of every citizen to go to the polls and vote for a man who has the ability to maintain the roads in his care and do it economically so as to provide good roads and at the same time reduce the burden of taxation.

Annual Concert of Jacksonville Woman's Club this evening at 8:30 at High School Auditorium.

I hereby announce myself a candidate for the Democratic nomination for county superintendent of schools, subject to the will of the voters at the primary April 11.

HOLD ROAD FOR DEATH OF VIRE

The coroner's jury yesterday completed its taking of testimony in the death of Renick Vires who was killed by a Wabash freight train last week.

The jury was composed of colored citizens of the city. After hearing the evidence the following verdict was returned: "We find that Renick Vires came to his death from being run over by Wabash Freight Train No. 73, at the North Sandy street crossing, Jacksonville, Ill., on March 31, 1922. We recommend that the Wabash railroad be held responsible for the death of Renick Vires. We also recommend that the Wabash railroad make this crossing safe for traffic."

WITH THE SICK

J. J. Murphy of Sharpe street is a patient at Our Savior's hospital following an operation for acute appendicitis which he underwent Sunday evening.

Miss Lubell Hildreth is confined to her home on Hardin avenue by illness.

LOUIS M. OSBORNE

IS GIVEN PROMOTION
Louis M. Osborne, son of Mr. and Mrs. D. W. Osborne, 1819 College avenue, has recently been transferred to the Detroit office of the Fleischman Yeast Co., and will there serve as general manager. The young man has been employed by the company for the past six years and his recent promotion proves that his services are constantly growing more valuable.

Mr. Osborne was for a time employed at the Cincinnati factory of the company. Later he was a traveling salesman and was then made manager at the Cedar Rapids (Iowa) branch. In recent months he has been stationed at Chicago.

OFFICIATES AT FUNERAL
Rev. E. L. Fletcher left Monday morning for Gibson City to officiate at a funeral service. He expects to visit his mother at Hoopston before returning to Jacksonville.

TOO LATE TO CLASSIFY
WANTED—By colored man and wife and two children place in country. Address M. X., Journal.

FOR RENT—Two nicely furnished rooms, modern. Call 215 Hardin avenue or phone 59-774.

NEED MORE MONEY TO MAKE QUOTA

The committee in charge of securing funds for the Morgan County fair this year are meeting with success all over the city. It is planned to raise \$1,500 in Jacksonville and the work is in charge of teams and captains in each ward. The funds will be used to reorganize the fair and to reestablish horse racing in the county. The drive for the funds in the city ends Wednesday night and the captains of the teams anticipate no difficulty in securing the required amount. A quota of \$375 has been set as the amount to be raised in each ward.

The reports given by the captains of the wards late yesterday showed the following amounts:

First Ward, Len Magill, captain, \$250.
Second Ward, W. W. Gillham, captain, \$365.
Third Ward, Ben Owens, captain, \$275.
Fourth Ward, M. E. Gilbert, \$300.

Annual Concert of Jacksonville Woman's Club this evening at 8:30 at High School Auditorium.

RELATIONS BETWEEN U. S. AND CANADA

Better commercial and social relations between the Dominion of Canada and the United States is the goal for which 62,000 members of the Kiwanis Clubs in North America will strive from the 2nd to the 8th of April inclusive. To attain this object, the 710 clubs will receive the hearty cooperation of Chambers of Commerce, churches, schools, and Boy Scout organizations in a gigantic 7-day celebration and the number of people taking part will mount into the millions. There will be dinners, speeches, public processions and a general get-together spirit between the business men of both countries during the entire week. The purpose of the gathering will be to help Americans and Canadians and understand one another's ideal and needs. In the cities where the celebrations are to be held, Canadian speakers will address American clubs and American speakers will address Canadian clubs.

This international celebration promoting that feeling of international comradeship upon which must be predicated all our hopes for future peace, is the most noteworthy of many blows struck by Kiwanis at narrow sectionalism. The first work of a Kiwanis club is to promote the best interests of the community in which it exists, but there is a second and not less important feature of its existence, namely, promotion of good feeling between cities, states, provinces and countries so that in the end the international amity for which we are all striving shall be accomplished.

RICH BACHELOR WANTS WIFE
"Many people have blamed me for not getting married. Since childhood I have suffered from stomach and liver trouble, never being able to get any medicine or doctor to help me. Now that May's Wonderful Remedy has entirely cured me, I am anxious to get a wife." It is a simple, harmless preparation, that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.—Adv.

EBENEZER CEMETERY ASSOCIATION TO MEET
Announcement has been made by Logan Black, vice president of the Ebenezer Cemetery association, that the annual meeting will be held next Monday afternoon at 1:30 o'clock at the church. The association was organized several years ago for the purpose of caring for the cemetery grounds which are near the church. Not only members of the association but all persons interested are invited to be present next Monday afternoon and offer any suggestion that they think worth while.

Ladies and Gents Tailoring, Repairing, Cleaning, Pressing, while you wait. FRANKENBERG, N. Main.

RETURN TO SPRINGFIELD
Misses Mary and Mabel O'Connell have returned to the Sacred Heart convent in Springfield, after a week end visit with relatives here.

A more extensive assortment of EASTER NECKWEAR is shown by FRANK BYRNS Hat Store.

ENDS VISIT HERE
Miss Bernadine Trahey left Sunday for Springfield after a visit with her parents in this city. From the capital city she will go to Cairo to resume her duties as county nurse.

FUNERAL NOTICE
Funeral services for Renick Vires will be held from Bethel A. M. E. church at 2:30 o'clock this afternoon.

CHANGE IS MADE IN WELL KNOWN FIRM

Herbert Smith Acquires His Uncle's Share In Business of H. L. and B. W. Smith—Store Established Nearly Fifty Years Ago.

Announcement was made yesterday of a change in ownership of one of the oldest established business houses in Jacksonville. The H. L. Smith Hardware Co., will succeed the business of H. L. & B. W. Smith at 43 south side square. The change in ownership was occasioned from the fact that Herbert Smith has purchased the interest of his uncle, B. W. Smith, and will immediately become a resident of Jacksonville and enter upon the management of the business.

The sales force including S. A. Fairbank and others who have been handling the business in a satisfactory way for some time past will continue under the new ownership.

Herbert Smith was for eleven years in the employ of H. L. and B. W. Smith and for the past ten years has been a representative of the American Steel & Wire Co., in either Ohio or Missouri. He thus brings to the undertaking a wide experience in both the retail and wholesale hardware business. Mr. Smith is a comparatively young man and has such stability of character and understanding of business affairs that he is certain to make a desirable addition to the business life of Jacksonville.

B. W. Smith is retiring at this time because of ill health. Had he remained in business two more years Mr. Smith would have rounded one exactly half a century, for the firm of H. L. and B. W. Smith was established here in 1874.

The first location was at the northwest corner of the square in a building on the site of the present Myers Bros. store. Later a change was made to the northeast corner of the square in a part of the building now occupied by the C. C. Phelps Dry Goods Co. Shortly afterward a change was made to the south side of the square, which has for a long period been the location of this well managed business concern.

H. L. Smith was the father of B. W. Smith and before coming to Jacksonville was engaged in the hardware business in Janesville, Wis.

NEED OF ISOLATION HOSPITAL EMPHASIZED.

Dr. A. L. Adams was recently called to Tallula to perform an operation for the removal of a mastoid abscess. The patient was a little boy who, beside the mastoid trouble was also suffering from scarlet fever and was in a serious condition. The doctor was forced to perform the operation on the kitchen table in the home of his patient, with no surgical conveniences and no means of sterilizing the instruments. There was no place at the local hospital where the boy could be brought and so the doctor was forced to leave his patient in the country, where, because of the seriousness of his condition, there was slight chance of his recovery. This case, so like many others which are to be found at any time, is a convincing argument for the need of an isolation hospital. The ladies of the Christian church have worked hard the past week at their booth at the auto show, with the purpose of starting a fund for the building of an isolation hospital. It is hoped that the other churches in the county will take up the cause and will conduct benefits of some kind, to add money to the fund which the Christian church women have started.

The plan for the Isolation Hospital is to be built an eight room building in the northeast corner of the Passavant hospital yard. The heating and water supply for the building will be furnished from the laundry and power house and this will lessen the expense of the enterprise.

A large assortment of CHOKERS for Easter just received by FRANK BYRNS Hat Store.

RETURNS FROM TRIP TO CALIFORNIA

Mrs. E. O. Mayer has returned from a visit of several months in Los Angeles, Calif., where she was with her daughter, Miss Marguerite, and her son, Fred Mayer. The trip was made over the Santa Fe route both going and on the return.

Mrs. Mayer greatly enjoyed her stay in the coast city and the numerous sight seeing side trips that are possible there. Miss Mayer now has a position with the Los Angeles Trust & Savings Bank and Fred Mayer is in the sales department of the California Fruit Growers' association. Both are well pleased with their work in the coast state and as they expect to remain permanently have purchased a bungalow in a desirable residence section.

Altho Mrs. Mayer found it a great pleasure to visit California, she thinks there is no place quite like Jacksonville and it glad to be at home again.

Hear Isidore Levin at court house Wed. April 5. Suppressed facts exposed. Women also invited. Moore, Frisch and Rogers are invited to share platform.--(adv)

Misses Ruth and Nell Hem-brough of this city went to Greenfield Sunday to attend the funeral of Mrs. R. Ford.

F. A. Linder of Carroll spent the week end in Jacksonville visiting at the home of his daughter, Mrs. Ellsworth Black of Lockwood Place.

FOOD LESSON NO. 18

Diet Experts Recommend the Health Foods in GOOD LUCK

Pure bred, pedigreed cows on three hundred model dairy farms, situated in the famous Elgin dairy district, of Illinois contribute the full-cream milk which is used in churning Jelke GOOD LUCK—the nourishing spread for bread.

Milk from these cows is rich in butter fats and proteins. That is why we use it as the principal ingredient of GOOD LUCK. Speeded to our daylight churnery in swift refrigerator cars, it is immediately churned and shipped to our dealers.

With this creamy milk are churned nutritious oils extracted from the fats of corn-fed beef steers. These oils contain additional energizing food qualities, making GOOD LUCK not only a tempting spread but a health food of exceptional value.

For families with growing children GOOD LUCK Spread for Bread is just the thing. Containing only ingredients which diet experts recommend, it is easily assimilated and may be used unsparingly.

JELKE GOOD LUCK MARGARINE
The Finest Spread for Bread.

WHOLESALE DISTRIBUTOR
Jenkinson and Bode Co.,
201-208 East North St.,
Jacksonville, Ill.

Jelke GOOD LUCK Evaporated Milk is for sale by dealers. It is a big value, being the same quality of the high-grade full-cream milk as is used in Jelke GOOD LUCK Spread for Bread. Ask your grocer.

LITERBERRY NEWS ITEMS OF INTEREST

Recent Happenings in Literberry Narrated in a Brief Way

Literberry, April 2.—Mr. and Mrs. Ernest Decker of "The Poplars" are rejoicing over the birth of a little daughter, born last Thursday. The little miss will answer to the name of Frances Irene. We are enjoying the beauty and fragrance of a potted pink hyacinth sent us by the Literberry M. B. society. Mrs. Oscar Petefish being the bearer.

There will be an all day meeting of the Baptist Aid at the Baptist church Thursday. The morning will be given to church cleaning and the afternoon to the Aid meeting. All church members please come.

There has been a good deal of interest shown in the election of highway commissioner for district No. 2, there being five candidates out, all good men.

The primary class in Baptist school Sunday morning was taught by Mrs. C. A. Beavers, the regular teacher. Mrs. Guy and daughter, spending the Sabbath in Jacksonville.

Several families in and around Literberry have been having the grippe but are now getting some better.

Mrs. S. H. Crum of Crum Villa was calling on the sick Sunday morning.

The children of W. W. Young are mourning the death of their pet dog which was drowned in Maple Mound Lake last Friday night. No inquest.

Mrs. J. M. Daniels is much improved in health and can walk out on the street for a short distance.

Mrs. James Petefish who has been sewing for her neighbors occasionally, is now ready to sew at a designer and creator in dress goods and her trimming and finery. She does good work, is fishing as up to date and perfect prices reasonable.

Mrs. Lula Henderson, Mrs. Jennie McFarland, Mrs. Alonzo Ruff and children report a wonderful gathering to the Woods pasture north of Literberry Sunday afternoon.

As candidate for Commissioner, Road District No. 7, have not withdrawn from race as is reported.

H. E. PERRY

RETURNS FROM FLORIDA.

Mr. and Mrs. Charles Story and son returned yesterday from their winter stay in Florida. They made the trip back as far as Decatur in their Franklin car and finding the roads so bad came the rest of the way on the train. Mr. and Mrs. Story report a wonderful stay and had fine roads all the way until they landed in Illinois.

NOTICE TO TAXPAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

Miss Fern Crabtree of Bluffs was a week end visitor of friends in Jacksonville.

NOTICE TO CONTRACTORS.

Filteration Plant.

Sealed bids will be received by the City of Jacksonville, Illinois, until 7:30 o'clock p. m., Monday April 10, 1922 in the Council Room at the City Hall of said city for the furnishing of all materials, tools, labor and equipment necessary for constructing certain additions and alterations to the present Filteration Plant in accordance with plans and specifications prepared by the Caldwell Engineering Company.

The work is to be divided into two divisions; the first division to consist of excavation, concrete work, brick work, sewers, drains, building, etc., and the second division to consist of the filter equipment.

Proposals must be accompanied by a certified check in the amount of ten per cent of the bid as a guarantee of entering into contract. Specifications, proposal forms and plans may be seen or obtained from the Caldwell Engineering Company, 504 Ayers Bank Building, Jacksonville, Illinois.

The right is reserved to reject and all bids.
CITY OF JACKSONVILLE, ILLINOIS.
By E. E. Crabtree, Mayor.
Jewell P. Scott City Clerk.

The Hard Road Route

Editor of the Journal:

Sunday's Edition of the Journal contains two articles written by "Mr. Tax Payer" and Mr. Land Owner and Tax Payer in which they endeavor to advance reasons why Road Issue Road No. 3 should be constructed over the western route and not the Eastern Route as suggested in Friday's issue, but as is usually the case where one tries to argue around a point at issue instead of advancing true facts, they have not only prejudiced their own case, but advanced some facts in favor of the eastern route that we had not thought to mention heretofore, viz:

First: They contend that harvest time brings heavy traffic over the roads into Woodson, wheat, corn, oats, cattle, hogs, sheep and we can add to this country produce etc. working towards the railroad, elevators and shipping points to market will endanger somebody if this road is constructed through Woodson. This is the first time that it has been brought to the knowledge of the public that the Hard Road System of the state was being constructed to carry business away from the market and not to it, and then again, are these roads being constructed by the State out of the Taxpayers' money, for the accommodation of foreign automobile traffic or for the benefit of the citizens of the country through which they pass?

As for the distance being longer or shorter via Woodson, that will answer for itself. The government survey and that of the C. & A. R. R. has already determined this matter in favor of the Woodson Route.

As for the number of bridges to be constructed, all that one has to do is to drive over the western route and count to satisfy himself that it will require seven new concrete bridges, and the lengthening of another, as well as the building of many culverts, not to mention the ditching and putting into intersecting roads and field gates, all of which have already been built over the eastern route to the curve.

As for the grading, will say again the road is already graded, surveyed, bridged and the earth settled so that a good job of paving can be done on the eastern route, while it would take years for the road to settle after the grading was completed on the western route before it would be safe to lay cement as a road way and have it last without settling so as to make expensive repairs necessary in the very near future. All these items the Highway Commissioner should take into consideration when planning to lay out and let a road contract.

Mr. Taxpayer mentions that it would be unsafe for eastern traffic that had to cross the railroad tracks to get on the eastern trail. What I would like to know is, would they not have to cross the same tracks and then be compelled to travel quite a distance in addition to get to the western trail.

As for Woodson's ability to control traffic down to a speed of safety, that is up to the village and the general public. What we are interested in is getting a cheaper, more economical, equalized method of transporting our products to market, than we have at present, and believe that the State Roads built by and with the Taxpayer's money should be built to and from market points, in other words built for home accommodation and not for foreign tourist traffic alone.

When the C. & A. R. R. Co. surveyed their road from Jacksonville to Roadhouse they made a survey through "Ireland" but upon considering the building of the road and the accommodation of the public decided that through Woodson, which was not even then on the map, was the cheaper route to construct and would serve more people than by going west, and the same conditions exist for the State to consider in putting down a hard road as were true at that time.

As for Murrayville pulling for the western route, can say that after a canvass of the business men and the canvass of that stance in a day's canvass, when after fully explaining the possibilities of the eastern route, but what they agreed it was the logical route for the road to be built, and I think you will find the public sentiment largely against the idea of the western route as being dangerous to travel many months of the year, on account of slippery hills in wet weather, dangerous turns in the road, liability to cuts falling with snow in winter time, longer distance and an uneven road bed.

There is no doubt in my mind but that the road will eventually be built through Woodson when it is built, and it will come all the sooner if all hands get together and boost, so why not all put a shoulder to the wheel and boost than boost again to the end that we have a contract let the coming season for a portion of this road south and as much as we can secure west for the glory of old Morgan. Come get into the band wagon with us and blow a horn and not turn on the cold water faucet.

CHAPIN S. S. CLASSES IN MIDST OF CONTEST

Members of Four Classes of M. P. Church Sunday School Engage in Spirited Contest—Other Chapin News.

Chapin, April 3.—A spirited contest is being held in the M. P. Sunday school between the men's Bible class and the women's Bible class, the young men's class and the young ladies class. The following verses, sent in by a member of the school seem to fit in nicely:

"If I knew you and you knew me
How little trouble there would be
We pass each other on the street,
But just come out and let us meet
At church next Sunday.

Each one intends to do what's fair
And treat his neighbor on the square,
But he may not quite understand
Why you don't take him by the hand
At church next Sunday.

This world is sure a busy place,
And we must hustle in the race
For social hours some are not free
The six week days, but all should be
At church next Sunday.

We have an interest in our town,
The dear old place must not go down
We want to push good things along,
And we can help some if we're strong
At church next Sunday.

Don't knock and kick and slam
And slap
At everybody on the map,
But push and pull and boost and boom
And use up all the standing room
At church next Sunday.

News Notes.

Miss Amy Onken was hostess at a charming five hundred party Saturday afternoon honoring her cousin, Miss Johanna Onken. There were four tables made up. Mrs. Charles Joy won high score and Miss Dorothy Kennedy was low score. Delicious refreshments were served. Those present were, Mrs. Gustav Onken, G. A. Allen, E. F. Joy, C. H. Cowdin, B. H. Allen, E. E. Siddles, H. Onken, L. S. Hess, E. H. Nienhauser, Mrs. Phoebe Scott, Misses Johanna Onken, Mary Black, Ina Shaul and Dorothy Kennedy.

Miss Martha Lehman and Alden Allen were Quincey visitors Saturday.

Rev. O. W. Lough, pastor of the Methodist church, gave a talk to the grade school pupils Wednesday morning on the Boy Scout work. Mr. Lough hopes to organize a troupe in the near future.

Among the Jacksonville visitors Saturday were: Mr. and Mrs. Jeff Duckett, Mr. and Mrs. Grover Smith, Mrs. F. P. McKlancy, Miss Helen Siddles, Mrs. Daly and son; John Grady, Jacob Hoover, H. P. Joy, J. W. Wallace, Winfield Brownlow and Arthur Permix.

Mrs. E. F. Antrobus returned from Springfield Thursday evening where she had been with her daughter, Mrs. Harold Bligh.

Hear Isidore Levin at court house Wed. April 5. Suppressed facts exposed. Women also invited. Moore, Frisch and Rogers are invited to share platform.—(adv)

RECORDER'S OFFICE BUSY

Altho there was not the usual first of March rush for filing documents in the office of County Recorder Wamaker, the total business for the month was greater than for March, 1921. The receipts for filing the past month were \$513.30, while the receipts for the same month a year ago were \$491.30. While the number of documents filed March 1 was much smaller than usual, on a number of succeeding days there was more than the customary amount of business.

Ford - Sun

We Cannot Control the Weather But a Fordson will give you Control of Your Farm Work under adverse weather conditions.
Some of these days it will quit raining (it always has) and then there will be a rush to get caught up with the spring work.
You are about three weeks behind now.
With a Fordson you will do twice the work you can with horse equipment.
There are about one hundred Fordson owners in Morgan county; ask one of them how the Fordson helps out when you get behind with your work, or there is much to do in a short time.
We have only three tractors left (our next shipment will be the first of July). We advise that you see us at once. Our Proposition and guarantee will please you.

PLAINTIFF'S CASE NEARLY COMPLETED
(By The Associated Press)
KANSAS CITY, April 3.—Virtual completion of the plaintiff's testimony in the case of the Kansas City Livestock exchange against Armour and Co., charging unfair marketing practices was reached today. One more witness will be presented by the plaintiffs, who will then have completed their case.
F. O. Stick, a hog salesman at the public stock yards here testified this afternoon that in case of disagreement a shipper and the commission firm handling his hogs over returns on to hogs the matter was arbitrated and in case of dissatisfaction over the results of the arbitration might then be appealed to an appeal board of the livestock exchange. Earlier, witnesses had testified that they had never received any adjustment when dissatisfied over returns received on hogs received thru the Mistletoe Stock Yards of the Armour & Co., closing of which is sought by the livestock commission men of the public yards in the present case.

NOTICE
Members of the Ebenezer cemetery association are requested to attend the annual meeting to be held at the church Monday, April 10, at 1:30 p. m. All interested persons invited.
Logan Black, Vice President.

THIRTEENTH WIFE PROVED UNLUCKY
(By The Associated Press)
INDIANAPOLIS, Ind., April 3.—Isalah Moore who has 13 marriages to his credit was sentenced to serve from two to fourteen years in the state reformatory today on a charge of embezzlement and was fined \$1,000 and costs and disfranchised for five years. He also was sentenced to serve from 2 to 5 years in the state prison on a charge of bigamy. Moore pleaded guilty to the bigamy charge.
Moore is said to have embezzled \$512 from Miss Harriet Evans of Mexico, Ind., a school teacher and his thirteenth wife. Miss Evans was married to Moore under the name of Melrose.
Moore, according to police, obtained more than \$2,700 from his 13 wives.

RIVER STILL RISING AT NATCHEZ MISSISSIPPI.
NATCHEZ, Miss., April 3.—The Mississippi continues to rise here at a uniform rate of eight tenths of a foot a day and is well up against the levees all of which are now under guard from the Arkansas line to the mouth of Red River. So far as the levees are concerned the present policy is one of watchful waiting, as the high water tight is not expected to assume an active phase until crest stages are reached. In the Black River sections it is reported that backwater will inundate 50,000 acres of cultivated land when the Mississippi reaches a stage of 52 feet here as forecast.

WILL CARRY PROBE TO SPRINGFIELD
CHICAGO, April 3.—An inquiry into alleged irregularities involving the issuance of physicians licenses will be carried in to the state department of registration and education Wednesday as the result of a conference in Chicago today by a commission of investigation appointed by Governor Small. The announcement was made by Dr. W. L. Noble, Evanston, after a conference with Dr. W. A. Evans of Chicago and Dr. E. P. Stone of Bloomington, the other members of the committee.
Students, it had been charged have obtained thru insiders advance copies of questions to be asked at examinations.
WILL NAME SHIPS FOR PRESIDENT.
WASHINGTON, April 3.—All the shipping board's passenger vessels except the George Washington and the America and the four ships in the south American service will be named after presidents, Chairman Lasker announced today. The individual designations have not been made, nor have all the presidential names been selected, but the board after agreeing on nine names have referred them to Mr. Lasker.

PAIGE CARS MADE FINE SHOWING
Exhibit of L. F. O'Donnell Motor Company Attracted Wide Attention—Many Sales Made—New Jewett Six a Feature.
The exhibit of Paige cars by L. F. O'Donnell Motor Co. at the recent automobile show attracted a vast amount of attention. In many ways the exhibit was the most prominent at the show, including passenger Paige 6-66, coupe 6-66, 7-passenger 6-66, Dayton roadster 6-44 coupe, 6-44 touring and the new Jewett 6. The last mentioned car was shown for the first time here and caused a great deal of interest among prospective automobile buyers. This beautiful six cylinder car is certainly destined to be a leader in the medium car field. The O'Donnell Co. received many compliments for the elaborate exhibit.
Mr. O'Donnell and his associates had the opportunity of demonstrating the superiority of Paige cars to a very large number of people. The Show News was distributed from day to day and a very wide circulation thus given this interesting piece of automobile advertising.
In addition to the Paige and Jewett 6 exhibit the O'Donnell Co. had a display in booth No. 13 of the famous O-D safety stop signal in two styles and the Hydro-Torion tires, guaranteed for 10,000 miles against rim cuts, stone bruises and blow outs.
Mr. O'Donnell in speaking of the show said yesterday: "We were very much pleased with the show as a whole and the O'Donnell Motor Co. did an excellent business, as the sales were beyond my expectations. The weather conditions were disagreeable but that fact did not interfere at all with our business. I would like to take this opportunity of thanking our customers and friends for their hearty co-operating in helping to make the show such a decided success. The different models of Paige and Jewett sixes and the famous O-D safety stop signals are now on view for sale at our garage, 210-212 East Court street. You are invited to call and get a demonstration when convenient, or to phone and a representative will call at your convenience."

Road District No. 7 includes Jacksonville. The polling place is Tobin's store, near the corner of Howe street and Lafayette avenue. Polls open from 7 a. m. to 5 p. m. To avoid slippery roads, park your car on Howe street near the School for the Blind and walk two blocks distant. There are no party designations Republicans and Democrats all vote for the same candidates.

NATIONAL SILVER LEAGUE ORGANIZED
(By The Associated Press)
SAN FRANCISCO, April 3.—The National Silver League was organized today with the announced purpose of re-standardizing the coinage ratio at not less than 15 1/2 ounces to one ounce of gold.
The preamble of the league said:
The demonetization of silver was forced on the world by certain European influences for selfish political purposes. It has occasioned in the United States in general, and the silver mining industry in particular a direct loss in value of silver production of more than one billion dollars and an incalculable indirect loss.
Frank H. Norcross of Reno, former chief justice of the Nevada supreme court was chosen president.
It was said the formation of the league did not mean the organization of a new political party.

BANDITS KILL TWO IN ROBBERY
CHICAGO, April 3.—While scores of persons helplessly watched five automobile bandits shot and killed a patrolman and fatally wounded a bank messenger and escaped with a satchel containing \$20,000 which the two were carrying tonight. The messenger died a few minutes later.
The holdup took place on a brightly lighted street in front of the Calumet National Bank in the heart of the South Chicago business district.
The robbers made no effort at concealment and paid no attention to the passing crowds. The two victims, Patrolman E. H. Cassidy and Phillip Sommers, were taking, collections of a building and loan association to the bank.
Pursuit of the robbers started by two men with offices in the loan association building and a taxi-cab driver ended when the driver was shot, the bandits firing at the pursuing car.

LITTLER OCK, Ark., April 3—Charles Rentrop, claimant of the middleweight championship tonight won a handicap match (no Stanislaus Zhyzko, former heavyweight champion in which the Pole agreed to win two falls within seventy five minutes. Zhyzko won one fall in 53 minutes. They will wrestle two weeks from tonight in a finish match, two falls out of three.

MOTHERS AND DAUGHTERS

Read This Letter from Mrs. W. S. Hughes

Greenville, Del.—"I was under the impression that my eldest daughter had some inter-trouble as ever since the first time her sickness appeared she had to go to bed and even had to quit school once for a week. I always take Lydia E. Pinkham's Vegetable Compound myself so I gave it to her and she has received great benefit from it. You can use this letter for a testimonial if you wish, as I cannot say too much about what your medicine has done for me and my daughter." Mrs. W. S. Hughes, Greenville, Del.

Mother and oftentimes grandmothers have taken and have learned the value of Lydia E. Pinkham's Vegetable Compound. So they recommend the medicine to others. The best test of any medicine is that it has done for others. For nearly fifty years we have published letters from mothers, daughters, and women, young and old, recommending the Vegetable Compound. They know what it did for them and they want to tell others. In your own neighborhood are women who know of its great value.

Mother—daughters, why not try it?

LOWER LIGHT AND POWER RATES ARE IN PROSPECT

Local Company Ready to File Reduced Schedules—Announcement Made at Meeting of Chamber of Commerce Directors—Savings to Consumers Will be \$15,000 per Year.

Lower light and power rates will be effective in Jacksonville soon if the Illinois commerce commission takes favorable action.

Yesterday E. H. Gray of the Jacksonville Railway & Light Co. submitted a new schedule to the directors of the Chamber of Commerce. The directors adopted a resolution expressing appreciation for the efforts Mr. Gray has been making to secure lower rates, and further asking that the new schedule be filed promptly with the Illinois commerce commission.

The full details are not at hand, but it is understood that the proposed rate for residences using from 50 watts a month or less is 12c instead of 13c; that the rate for residences using more than 50 watts is 10c instead of 11c. The rate for business lighting is as follows: first 150 watts, present rate 12c, proposed rate 11c; first 300 watts, present rate 10c, proposed rate 9c. All over 450, present power rates range from 8 to 4c and the proposed rates range from 8 to 3c.

Mr. Gray told the directors that the reductions will make a total saving to the people in present consumption of \$15,000 a year and a decrease in the revenues of the company of \$1,250 per month.

For a number of weeks past this matter of reduced rates has been pending. A chamber of commerce committee several months ago made an investigation as to rates for service charged in other cities. Subsequently a report of these investigations was filed with the chamber of commerce.

Mr. Gray was asked to meet with the directors and he later extended an invitation to the chamber of commerce to have a committee accompany him to Springfield for a conference with Mr. Chubbuck, executive officer of the Illinois Traction system. W. E. Sullivan and J. W. Merrigan of the board accompanied Mr. Gray to Springfield and a very satisfactory conference resulted.

At the meeting yesterday this committee made its report which was received and placed on file. Then on the basis of this report a motion was made and passed that it would be sense of the board of directors that it approve the efforts of Mr. Gray to secure lower light and power rates and request that he file the proposed new schedules with the Illinois commerce commission at once.

Now therefore, unless you, the said Edith Turner, Lewis Turner, Neva Turner, Ida M. Wells, individually, and Ida M. Wells, Executive of the last Will and Testament of Alice E. McLeod, deceased; the Old Peoples Home of Jacksonville, Ill.; the West Side Christian Church of Springfield, Ill.; the National Benevolent Association of the Christian Church of St. Louis, Mo., and R. Roy McLeod, shall personally be and appear before the said Circuit Court of Morgan County, Illinois, on the first day of the next Term thereof, to be held at the Court House in the City of Jacksonville, in said County on the second Monday of May, A. D. 1922 and plead, answer or demur, to the said Complaintants' Bill of Complaint the same and the matters and things therein charged and stated, and be taken as confessed, and a decree entered against you according to the prayer of said Bill.

F. E. WANAMAKER, Clerk.

FUNERALS

DeFreitas

The funeral of the late Raymond DeFreitas was held at two o'clock Monday afternoon at the Reynolds Chapel, with Rev. M. L. Pontius, pastor of Central Christian church officiating.

Interment was made in Jacksonville cemetery. The bearers were Charles Greenwalt, John J. Smith, A. F. DeFreitas, Henry Scott, Joseph Bringle and Martin Souza.

Glenn

The funeral of Mrs. Mary A. Glenn was held Sunday afternoon at the residence on South Main street at 2:30 o'clock. The services were in charge of Reverend G. W. Randle of Brooklyn church and interment was made in Jacksonville cemetery.

The many beautiful floral offerings were cared for by Mrs. Walters, Miss Sallie Stacy and Mrs. Marian Hall.

The bearers were Ed Caldwell, Walter Rogers, C. A. Boruff, B. O. Hess, William Henley and John Kastrup.

Barcroft

Funeral services for Miss Cassie Barcroft were held from the Gilliam Funeral Home at 2:30 o'clock Monday afternoon in charge of the Rev. G. W. Randle, pastor of Brooklyn church.

Music was furnished by Mr. and Mrs. T. H. Rapp, Mrs. Hussey and W. W. Gilliam. The flowers were cared for by Mrs. John Sulter, Mrs. William Naylor and Miss Viola Hackman.

Burial was in Jacksonville cemetery, the bearers being John Sulter, D. T. Helmich, L. F. Randall, Phillip Becker, R. K. Buckthorpe and T. H. Buckthorpe.

Harrison

Funeral services for Mrs. Clara D. Harrison were held Monday. Brief services were first held at the home of her daughter, Mrs. J. W. Davies in the Durbin neighborhood. The body was then taken to Sinclair where more extended services were held from Hebrew church. Both services were in charge of the Rev. G. T. Wozel.

Music was furnished by Mr. and Mrs. B. F. Rawlings, Mrs. Edgar Oxley and Samuel Darley. Mrs. Darley served as accompanist.

Burial was in Hebrew cemetery. The bearers at the residence were: Marshall Reece, George, Edgar and Thomas Oxley, Thomas Smith and Fred Davis. The bearers at the church were: Frank and John Hunter, Lester and Eugene Hart, Thomas Fox and Robert Hopper.

WOODSON

Mr. and Mrs. William Lewis and Mr. and Mrs. George Lewis of the Buckhorn neighborhood and Mr. and Mrs. Jack Butler of Woodson were Sunday visitors at the home of Mr. and Mrs. Charles Newman.

Miss Fern Potter of Lynnville was a Sunday guest at the home of Mrs. Laura Sturdy and family.

The Missionary Society of the Christian church will hold a regular monthly meeting at the home of Mrs. C. C. Self Thursday afternoon of this week. The leader for the afternoon will be Mrs. Harvey Harney.

The ten days' pre-Easter meetings which were to have started Wednesday evening of this week at the Christian church have been postponed on account of sickness in the community, and will not begin next Sunday.

Rev. I. H. Fuller, pastor of the Christian church, delivered a fine black board sermon Sunday evening on the theme, "Which Boat are you in?" This sermon was to have been delivered two weeks ago but the minister was unable to preach at that time.

SPECIAL SERVICES AT STATE STREET CHURCH

A series of pre-Easter services is to be held at State Street Presbyterian church beginning tomorrow evening. The services will be under the leadership of the pastor, Rev. W. H. Marbach, and the Saviors' Seven Words from the Cross will be the basis of the sermons. The subjects for the sermons are given below:

Wednesday, April 5—"Father, forgive them."

Thursday, April 6—"Today shalt thou be with me."

Friday, April 7—"Woman, behold Thy son."

Sunday, April 9—"My God, Why?"

Wednesday, April 12—"I thirst."

Thursday, April 13—"It is finished."

Friday, April 14—"Father, into Thy hands."

The annual congregational meeting of the church will be held on Wednesday evening, April 19. Supper will be served at 6 o'clock, followed by the annual business session.

MAN TRAVELS TO FACE TRIAL ALONE

CAIRO, April 3.—Abbot Jordan to Cairo unaccompanied today to face trial on a charge of stealing from Interstate shipments when Homer Appleton his stepson and Alfonso Kartes, jointly charged with Jordan escaped from a train at Carbondale. The marshal left Jordan unguarded on the train while he pursued the fugitives. The men were being brought here from Benton.

Annual Concert of Jacksonville Woman's Club this evening at 8:30 at High School Auditorium.

ELECTION IN ROAD DISTRICTS TODAY

Residents of Jacksonville Vote at Tobin's Store on East Lafayette Avenue—Polls Open at 7 A. M. and Close at 5 P. M.

Road district elections will be held today. The polling place for District No. 7, which includes Jacksonville, is at Tobin's store on East Lafayette avenue.

Because of recent rains unpaved streets are not in good condition, and auto drivers in the city are advised to park their cars on Howe street east of the School for the Blind and walk to the polling place which is less than two blocks distant from the end of the Howe street pavement.

The polls will be open from 7 o'clock this morning until 5 o'clock this afternoon. There are no political party representations at this election and all legal voters have a right to cast their ballots. Men and women, Democrats and Republicans and members of all other parties have a right to vote for road commissioner and one clerk.

The names of the candidates will appear upon the ballot in the following order:

For Commissioner.

(Vote for One)

Henry G. Strawn
J. W. McDonald
Geo. W. Willerton
William Hembrough
Charles S. Magill
H. E. Perry

For Clerk

(Vote for One)

Amos L. Coker
Roy L. McLain.

GREENE COUNTY MAN IS CALLED BY DEATH

George Ballard Passed Away at Home in Roodhouse Sunday—Burial to Be in Manchester Cemetery—News From Manchester and Scott County.

Manchester, April 3.—(Relatives received word Monday of the death of George Ballard, who passed away at the family home in Roodhouse Sunday afternoon. The deceased had three sisters living in Manchester and was well known in this community.

Mr. Ballard was sixty five years of age at the time of his death. He is survived by three children, Frank and James Ballard and Miss Edith Ballard residing at home. He also leaves one brother, an only sister, William Ballard of Barrow; Mrs. J. O. Raines of White Hall; Mrs. George Matthews, Mrs. William Long and Mrs. Jane Little, all of Manchester.

The funeral is to be held from the residence in Roodhouse at 10 o'clock Tuesday morning. Burial will be made in the Manchester cemetery.

Mrs. Margaret Wyatt was reported to be in a critical condition Monday. Her daughters, Mrs. C. A. Boruff and Mrs. W. T. Raugh of Jacksonville were at her bedside, as were her granddaughters, Mrs. John Larson and Miss Helen Raugh, also of Jacksonville.

Alonzo Day and family moved to the Marsh farm east of Manchester Monday. This property was recently vacated by Isaac Nunes and family.

Mrs. Lennie Coacher of Jacksonville spent Sunday with her parents, Mr. and Mrs. Albert Greenwalt.

Walter Hanback was able to return to his barber shop here Monday after a week's illness. His family will arrive from Pearl this week and will make their home here.

Mrs. Charles Letze and Mrs. William Lawson are among those reported sick.

William Riney spent Sunday in Jacksonville.

Mrs. Mary Wright of Murrayville and daughter, Mrs. Sinclair Russell of Lakota, North Dakota, spent Saturday and Sunday with the former's sister, Mrs. J. C. Andras, Jr.

Mrs. C. N. Danner and son Thomas returned Sunday from a visit with relatives in Quincy.

James Miner has returned to Winchester after several months' stay in the west.

Misses Lois Coultas and Vera Wardner attended the Alumnae tea given at the Illinois Woman's college in Jacksonville Saturday.

Mrs. Verne King has returned home after a stay of several months in a tuberculosis sanatorium in Springfield.

Mrs. George French returned to her home in Roodhouse after a visit with Hart Cohagan and family.

Hon. H. T. Rainey called on a number of friends in Winchester and vicinity Monday.

Mrs. Grant Mader returned Monday morning from a pleasant visit with her son in Canton, Ohio.

Mrs. Frank Barry returned home Sunday from Hastings, Iowa, where she spent the winter with her daughter, Mrs. Mildred Martin and family.

There will be a tea given at the home of Mrs. Claude Thomas Thursday afternoon at 2:30 o'clock, for the benefit of the flower fund of the Baptist church.

Miss Vera Wieser arrived Sunday evening from St. Louis to visit her aunt and uncle, Mr. and Mrs. Ves Wieser.

As candidate for Commissioner, Road District No. 7, have not withdrawn from race as is reported.

H. E. PERRY

DEATHS

Widdowson

Mrs. Addie Widdowson, wife of Milton Widdowson, prominent hardware and lumber merchant of Carrollton, Illinois, passed away Sunday morning at 7:30 o'clock at Our Savior's hospital. Death followed a very brief illness although Mrs. Widdowson had been in poor health for a number of years. The decedent was 61 years old at the time of her death.

The remains were taken to the funeral parlors of C. E. Williamson & Son and were prepared for burial. The body was sent to Carrollton Monday morning and funeral services will be held at the family residence there on Tuesday.

Eyre

The death of Mrs. Maude May Eyre came at 1 o'clock Monday morning at the family home, 411 Lincoln avenue. The infant daughter of Mr. and Mrs. Eyre also passed away and will be buried at the same time as the mother.

The deceased was born Feb. 17, 1888 and was a daughter of Mr. and Mrs. Charles H. Coultas of Riggsport. She spent her early life in the Riggsport neighborhood and was widely known and beloved in that community. On April 18, 1917, she was united in marriage to Frank N. Eyre, the ceremony taking place at Lynnville.

Mrs. Eyre is survived by her husband and three children, Velma Aileen, Francis Edward and Mary Elizabeth. She leaves also the following brothers, Elmer T. Coultas, Winchester; Chester E. Bloomfield, Ill.; Allen J. Riggsport; Bert R. Winchester, and Luther C. of Canton, Ill.

The remains will be removed today to the home of the mother of the deceased in Riggsport. The funeral will be held at 2 o'clock Wednesday afternoon from the Riggsport M. E. church. Interment will be made in the Kincaid cemetery.

LITERBERRY

Mrs. A. W. Petefish is spending a few days with her mother, Mrs. Lizzie Litter, in Jacksonville.

Mrs. Hattie Hanning of Jacksonville spent the week end with Mrs. Mary Beavers in Litterberry.

Mrs. C. P. Henderson entertained a number of friends at a dinner Sunday. The affair was in honor of Miss Dovie Smith whose school will close next Friday. The guests were Misses Georgia Litter, Margaret Chapman and Bertha Boatman, Rev. Mr. Browning, Messrs. Orville Petefish and Earl Myers.

Miss Mabel Henderson spent the week end with friends in Jacksonville.

Mrs. John Guy and daughter spent Saturday and Sunday with Mr. and Mrs. W. E. Murry in Jacksonville.

Mrs. Jane McFarland, Miss Wilma Blair of Chandlerville and John McFarland were Sunday dinner guests at the home of Mr. and Mrs. W. E. Murry.

FEET WET? Time to Take HILL'S CASCARA QUININE

And Prevent a Cold

ner guests at the home of Mr. and Mrs. A. Ratliff.

Miss May Myers returned home Monday after a week end visit with Mr. and Mrs. Carl Myers in Jacksonville.

Dean Chapman was taken to Passavant hospital Monday morning and in the afternoon underwent an operation for appendicitis. Last night he was reported to be resting comfortably.

COURT DISMISSES \$20,000,000 SUIT

CLEVELAND, April 3.—Suit brought by Dr. S. E. McLean of Detroit and other stockholders of the McLean Arms and Ordnance company against M. A. Bradley, R. M. Calfee and others for \$20,000,000 alleged to be due from profits thru the sale of the Lewis Machine Gun during the world war was dismissed by Judge Peck in federal district court today.

In his suit, Dr. McLean claimed that his patents, which had been unfairly sold had been embodied in the Lewis gun. Conspiracy also was charged.

SPRING REVUE AT WOMAN'S COLLEGE

Event Given Monday Evening by Athletic Association and Home Economics Department Scored Big Success—Large Number in Attendance.

One of the most charming and unique events of the season in Jacksonville was the Spring Revue given last evening by the Athletic Association and Home Economics department of Illinois Woman's College. The affair was given in the college gymnasium and every detail was worked out in the most attractive and complete manner. Miss Grace Tickle of the faculty was the general chairman in charge of the event and she was aided by a willing and able group of associates whose efforts contributed so largely to the great success of the event.

The Spring Revue was different from any other event seen in Jacksonville for some time and it attracted a large number of people. The affair began at 5:30 o'clock and lasted until 9:30. The gymnasium has been most cleverly and attractively decorated for the occasion in the bright and pretty pastel shades. Crepe paper made bright, varied colored walls around the room and from the ceiling hung myriads of gay butterflies and little birds. All around the room were placed tables, gay with lighted yellow candles and bright colored lunch cloths. At these tables the guests sat and during the hours from five thirty to seven thirty o'clock a delicious two course luncheon was served. There were over two hundred present at the luncheon and the crowd all during the evening numbered near by three hundred. From seven thirty on, light refreshments were served as the guests sat and watched the program of music and dancing which was given on the Fantastic Square. The luncheon and refreshments were prepared by the girls of the household science department and dainty French maids acted as the serving maids.

Continuous Vaudeville.

A continuous program of dancing and music was given during the evening. This was in charge of the Misses Nellie and Peggy Boyd, directors of the Physical

Education department. The program included the following dances by groups of girls: Troika, a Russian Dance; A Chinese Love Story; A Mantel Place, a little Dutch Dance; the Scarecrow Dance and a clever little Hawaiian stunt in which ukulele music was the feature. Music came between all the dancing acts and two solo dances were given, one by Miss Donabel Keys, who gave a charming dance called "Spring", and the other by Miss Jeanette Meredith who did the Highland Fling. The dancers were all in costume and this added to the pretty effectiveness of the scene.

In Ye Style Shop were to be seen all the newest creations in winter and spring costumes. The exhibit was in charge of Miss Helen Merriman of the household arts department and exclusive costumes made by the girls during the year were exhibited on living models. A clever little play in verse was given in the Style Shop when a mother and her daughters go on a shopping tour to select wardrobes for the young ladies who are going away to college for the year. The costumes were chic and up-to-the-minute and their attractiveness was enhanced by the clever way in which they were displayed.

The whole affair was so cleverly planned and the arrangements were so attractive that the Spring Revue was an unqualified success. The heads of the committees in charge of the Revue were as follows: Chairman of the luncheon committee, Dorothy Mae Smith; Head Walter, Frances Paulding; Chairman of table decorations, Ella Dikeman; head of the Jack O'Lantern Candy Shop, Mildred Mayer; chairman of the light refreshments, Mary Ellison; Decorating of the Style Shop, Marion Muson, Mary Hall, Agnes Davis; Models, Frances Brooks, Veld Meadows, Hazel Moore, Glenadine Weaver; Mother, Verna Hieronymus; Daughters, Virginia Gentry, and Edith Weller; French Maids in the Style Shop, Avis Murphy, Irene Parli; Herald, Lucile Vick; Ushers, Marion World; Esther Purl, Beatrice Hasenstab; chairman of ticket sale, Eulalie Carrel.

WESTERN ILLINOIS

MEET MAY 6TH

May 6th has been set as the definite date for the Western Illinois High School league track and field meet to be held in Jacksonville. This is an annual high school event and about fifteen schools in this part of the state send athletes to Jacksonville to compete in the meet. The work for track has not begun in earnest yet owing to the wet weather last week. Coach Mitchell is however giving the boys some work outs in the gymnasium and as soon as the weather permits the outdoor work will begin. The first meet is the dual event with Springfield which is scheduled for this month.

Jacksonville High school has received an invitation from the Rushville High school to participate in a track meet to be held in that city on the 29th of April. This meet will include the high schools in Beardstown, Rushville, Mt. Sterling and Jacksonville. If it is decided that the local school will compete.

The moving picture at the high school last evening drew the largest crowd that has attended any of the previous performances. The film, a dramatization of George Eliot's famous novel, "Silas Marner," was especially good and was acclaimed by many to be the best picture that the high school has shown during the series.

Hear Isidore Levin at court house Wed. April 5. Suppressed facts exposed. Women also invited. Moore, Frisch and Rogers are invited to share platform.--(adv)

BUILDING ASSOCIATION WILL HOLD MEETING

There will be a meeting of the directors of the Jacksonville Building and Loan Association in the Chamber of Commerce rooms Wednesday evening at 7:30. At this time members of the Chamber of Commerce committee, appointed to aid in solicitation for new subscribers to the building and loan organization, will meet with the directors and a school of instruction will be held and the workers told something of the operations of the association in order that they may be better able to solicit stock and help finance home building in Jacksonville. The members of the Chamber of Commerce committee are W. E. Sullivan, Harrison King, J. S. Hackett, John W. Larson, Charles Fiedler, J. P. Claus, Merle Cain, Moses Meyer, Abe L. Wood, W. B. Rogers, W. H. McCarthy, W. A. Fay, Joseph Estaque, Ellsworth Wells, William Goebel and William Flor-eth, Jr.

I. W. C. GLEE CLUB

AT GREENFIELD
Members of the Glee Club of Illinois Woman's College went to Greenfield last evening to give a concert at the high school. Miss Louise Miller, director of the Glee Club accompanied the girls and directed the concert. The program which was given at the minstrel show here several weeks ago and later at Winchester was repeated last night and proved as big a hit in Greenfield as was scored here.

OBITUARY.

Fleeta A. Adkisson, daughter of Elizabeth Reeder Adkisson and William Adkisson, was born in the East Hickory neighborhood near Winchester, Scott County, Illinois on the 27th day of January, 1846; the family later resided near Point Pleasant where she attended the district school, her schooling being greatly interrupted, by eye trouble which continued throughout her girlhood.

She was married on her birth-day, Jan. 27th, 1870 to David C. Fisher who died two years later, Sept. 10, 1872. To this union was born one daughter, Percie Clyde, now the wife of Thornton Sheppard residing in Colorado. After three years the deceased was again married to William H. Watson of Lynnville, Morgan County, Illinois, who by a former marriage was also the father of an infant daughter, Belle Tina, now Mrs. Charles D. Taylor of Scott County. Two little families thus became one, all members living together in love and regard that knew no distinctions and that could not have been deeper or more abiding. It is fitting to say that no truer devotion could have existed between father and daughter than that between Percie and her step-father, and no mother could have had a truer daughter, nor a daughter more truly than Belle and the deceased had each in the other.

The new home was made at Lynnville in Morgan County where the deceased lived until 1905; then in Jacksonville until 1910; the remainder of her life was spent at her home in Winchester. In the several communities in which she lived she chose to live simply, devoted to her family and to her neighbors and friends among whom she made distinction in station or place or wealth. She was ever ready with service and sympathy and help was never asked in vain nor did she shun the harder tasks.

The deceased united with Friendship Church of Regular Predestinarian Baptists at Winchester in January, 1886, and lived throughout her life loyal in her faith and to her church.

She was preceded in death by her husband who departed this life Nov. 16, 1915; by a daughter, Ella May, who passed away Oct. 3, 1891, and by a son Charles E., who died Oct. 13, 1891. She is survived by two sisters, Mrs. Mary Robertson of Macomb, Ill., and Mrs. Sallie Bean of Winchester, Ill., and by six children, Mrs. Sheppard by the first marriage, and by the second marriage, Fred R. of Lynnville, George W. of York, Pennsylvania, Mrs. Annie M. Masters of Sandpoint, Idaho, Kathryn Watson of Ranger, Tex., and Benjamin B. of St. Louis and by her step-daughter, Mrs. Belle T. Taylor, twenty grandchildren and on great grandson.

The funeral was held Thursday March 30th at 10:00 A. M. from her late home in Winchester. Services were conducted by Rev. Geo. W. Murray, assisted by Rev. W. R. Johnson. Music was rendered by a quartette composed of Miss Martha Higgins, Mrs. S. G. Smith, Mr. S. G. Smith and George Owings, assisted by Mrs. Kinison at the piano. Flowers were cared for by Mrs. Lois Bean Hamilton and Miss Grace Taylor. The pall bearers were Fred Bean, Bert Bean, George Owings, Watson Taylor, Claud Bean and Henry Taylor. Interment in Winchester cemetery.

LEO DITTRICHSEIN IN

"THE GREAT LOVER."

That there is no end of fun in the jealousies, superstitions and the vanities of operatic folks is revealed in "The Great Lover", the romantic comedy in which Leo Dietrichstein will appear at the Grand Wednesday night. "The Great Lover" written by Mr. Dietrichstein and Frederic and Fanny Hatton, is one of the classics of the theater and the play in which the distinguished star has attained his greatest artistic height.

It's an intimate view of life back stage in grand opera that "The Great Lover" presents. You see all sorts of characters from the wildly exuberant Italian conductor who kisses the office boy on both cheeks without a tremor to the prima donna who trails clouds of glory in the shape of passionate newspaper criticism.

Supporting the star will be found an exceptionally competent company including several of the original New York cast especially recruited by Lee Shubert for the transcontinental tour.

Skip 3 names of machine men and give all your 3 votes to Isidore Levin for State Representative, Republican primary, April 11. Levin is the man grafters fear. Frisch, Rogers and Moore are afraid to debate him. (adv.)

TRADING ON BUTTER MARKET QUIET

By Associated Press.
Chicago, April 3.—Trading on today's butter market was quiet and irregular. Stocks while not exceptionally large were in excess of the demand and the market continued weak and unsettled. The fancy and medium grades were in liberal supply and the undergrades were scarce. The car market was weak with offerings light.

Dr. A. M. Johnson of Concord was a professional visitor in Jacksonville Monday.

IT RESTORED

HER AFTER ALL ELSE FAILED

Her Whole System Was Built Up by Tanlac and Five Years of Suffering Was Soon Overcome, Declares Little Chicago Woman.

"The way Tanlac has helped me after everything else failed is more than I can understand," declared Mrs. Edna Johnson, 113 E. Chicago Avenue, Chicago, Ill.

"For nearly five years, I had attacks of sick headache and suffered so much I just had to stop my housework and lie down for hours at a time. I often had sharp, knife-like pains in my back and if I stooped over, would get dizzy and nearly fall in my tracks. I got so badly run down and my entire system was so disordered I hardly knew which way to turn for relief.

"Hearing Tanlac praised so often, I decided to try it. After taking three bottles, my strength has been built up; my headaches are gone; my back never pains me, and I feel so good I enjoy every minute of my life. Tanlac has certainly made me a healthy and happy woman and I can't praise it enough."

Tanlac is sold in Jacksonville by Coover Drug Co., and Shreve's Drug Co., and leading drug stores everywhere.—Adv.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

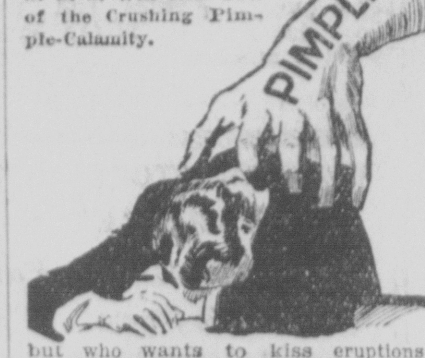

Thousands take them every night just to keep right. Try them. 15c and 30c.

Pimples Keep Young Men Down!

They Make Women, Too, a Puzzle! How S. S. S. Stops Skin Eruptions Positively.

Pimples and skin eruptions have a price—you pay for every pustule, black-head and pimple on your face. Pimples produce prejudice and prevent prosperity. Your heart may be gold,

S. S. S. Will Rid You of the Crushing Pimple-Calamity.

but who wants to kiss eruptions? Pimples men don't look like the owners of anything. Pimples women, too, are puzzles with no prospects and no power. Young men and women, here's the positive way out. Physics and purgatives have failed. What you need is a scientific blood-cleanser, S. S. S. is one of the most powerful destroyers of blood impurities. You can prove this in a short time. S. S. S. has been passed on by a jury of millions of people just like yourself. It is considered one of the most powerful vegetable blood-purifiers and flesh-builders in existence. That's why you hear of so many underweight people putting on lost flesh in a hurry, why you hear of so many rheumatics being freed from this scourge, with S. S. S. Start today with S. S. S. and see your face clear and your skin get ruddier, your flesh firmer. It will give you a boost in your career. S. S. S. is sold at all drug stores, in two sizes. The larger size is the most economical.

WHEAT WENT UPWARD
IN PRICE MONDAY

By Associated Press.
CHICAGO, April 3.—Wheat went upward in price today, helped by a rise in Liverpool quotations and by renewal of crop damage reports from Kansas. The closing was unsettled at 1c to 1½c higher than with May \$1.33½ to \$1.33½ and July \$1.18 and \$1.18½. Corn finished 1c to 2¢ up, oats unchanged to a higher and provisions unchanged to an advance of 1c.

Emphasis to higher prices for wheat at Liverpool was given as a result of word that advance there had been due to purchasing for Germany.

An additional announcement was made that supplies of wheat on ocean passage had decreased nearly 1,000,000 bushels last week. Persistent heavy May delivery was also a bullish factor and was taken to indicate that a spread was being conducted between Chicago and Winnipeg. The market effect of unfavorable crop advices from the southwest appeared to be dwarfed by messages from Kansas City noting an absence of country orders to purchase. A falling off in the domestic visible supply total failed also to have much influence, the aggregate being still 1,000,000 in excess of figures a year ago. The seaboard advised that 599,000 to 600,000 taken today for Europe consisted mainly of wheat growing in Canada.

Wet weather over the west with a forecast of more tended to lift the price of corn and oats.

There was talk too of liberal export business underway in corn. No pressure to sell was apparent in the provision market and with scattered demand from shorts some advances in price were scored.

HEAVY DEALINGS
ON STOCK EXCHANGE

By Associated Press.
NEW YORK, April 3.—The volume of operations on the stock exchange today established a high record for the year approximately 1,300,000 shares changing hands. Many new maximums for the period were made by favorites of the industrial and miscellaneous groups.

Bullish sentiment was evidence by heavy orders placed by commission houses. Western interests were said to be especially active in the demand for speculative steels and rails.

Advices from the chief centers of trade and industry were encouraging indicating an increase of railway tonnage gains in various lines of business and a pronounced extension of investment purchases.

Motors, independent steels, oils and equipments were the outstanding features at net gains of 1½ to 4½ points.

Excepting Canadian Pacific, Pennsylvania and Delaware and Hudson, the inquiry for rails centered in the preferred stocks of St. Paul, Chicago and Alton and Toledo, St. Louis & Western, at extreme gains of 1 to 2 points.

The money market favored the further rise of stocks, call loans easing from 4½ to 4½ per cent in the final hour. Time funds again ranged from 4½ to 4½ per cent.

A moderate reaction in the German market was the one exception to the stronger tone of foreign exchanges in the bond market. Liberty 3½s established a new maximum of \$98.58, but the second eased, the entire series closing at mixed gains and losses. Bond sales totaled \$18,792,000.

ROUTINE BUSINESS AT COUNCIL SESSION

Ordinance For Jordan Street Pavement Presented—Council Invited To Hear Church Address on Civic Affairs—Monthly Reports of Officers Received.

The city council last night received an invitation from Rev. G. W. Randle of Brooklyn church to listen to an address to be given next Sunday afternoon at Northminster church, when Dr. James McGraw will speak on "Civic Affairs." Members of the council expressed their appreciation for the invitation.

Roll call by City Clerk Scott showed Mayor Crabtree and Aldermen Rowe, Williamson, Loneragan, Flynn and McGinnis present. The ordinance providing for a pavement from the corner of Fayette and Jordan streets to the corner of Diamond and North streets was given a first reading.

A communication was received from the Jacksonville Automotive association with reference to blind drivers. At the suggestion of Mayor Crabtree the superintendent of streets was asked to cooperate with the committee named by the association to see what can be done to lessen the danger at certain corners.

George Timmons, representing Otis Hoffman, held a conference with the aldermen with reference to side walks ordered for certain streets which have not yet been completed. Alderman Loneragan stated that a report would be ready at an early date to indicate just the real estate that the city owns. It will then be possible to offer for sale any property that is not in use.

Mr. Goodell, living on North Church street, and Mr. Wright of South Mauvalterre street both addressed the council with reference to some grading needed on their streets.

Reports of Officers. Reports of officers were received. The report of City Clerk Scott showed collections through his office of \$269.95. From Diamond grove cemetery \$368.50, from Jacksonville cemetery \$222.75.

The report of H. H. Summers, sexton Diamond Grove cemetery, showed 15 graves made in March and the report of John Pries, sexton Jacksonville cemetery, showed 12 graves made.

The report of H. K. Chenoweth, city treasurer, showed the balance in the general fund for February of \$1490.26, and for March \$2,753.23. The March balance in all special funds was \$52,018.74.

The report of Frank Kiloran, chief of police, showed 32 arrests for the month of March. There were city fines and costs amounting to \$174.40 and J. P. costs \$78. The arrests were on the following charges: disorderly conduct 21, drunkenness 3, speeding 1, assault and battery 1, burglary and larceny 2, petty larceny 2, peace warrant 1.

Of the arrests for disorderly conduct 20 were made by the police force at the rooms of Sam Ornellas on East Court street, where a group of young men were found engaged in shooting craps.

The report of W. H. Cobb, superintendent of the water department showed water collections of \$4,451.26; collections from other sources \$341.29.

The report of Dr. A. M. King, health warden, showed total deaths of 57, of which 25 were at the insane hospital. The range of ages was as follows: under 1, five; 5 to 20, two; 20 to 50, thirteen; 50 to 70, twenty-one; over 70, sixteen. Contagious disease figures were: erysipelas one; tuberculosis four; diphtheria seven, scarlet fever five.

We solicit your ice orders and assure you prompt and courteous service.—WALTON & CO. Phone 44.

BOARD OF EDUCATION IN MONTHLY SESSION.

The board of education met in regular monthly session Monday at the high school building. In the absence of President Lippincott the board selected Thomas Hopper to preside. The others present were Members Fiedler, Motenoff, Black and Muehlhausen, together with Supt. Perrin.

Practically all of the business considered was routine in character. There was some discussion with reference to the Independence school building and an earnest effort is to be made to improve the building in a material way during the course of a year. The preliminary arrangements were authorized for the removal of the open air school building to a site north of the David Price building.

Secretary Fiedler was instructed to draft a resolution expressing the appreciation of the board for the long and faithful service of President Lippincott, who is soon to retire.

Mention was made of the fact that Mr. Lippincott was absent from this meeting and for the third time in six years. Some general matters of business occupied the attention of the board until the time of adjournment.

As candidate for Commissioner, Road District No. 7, have not withdrawn from race as is reported.
H. E. PERRY

Mr. and Mrs. Elmer Branon have returned to their home in Peoria after spending a number of days visiting with relatives in Jacksonville and Virginia.

CLUBS AND SOCIETY

Helen Rawlings Chapter Met

The Helen Rawlings Chapter of World Wide Guild of First Baptist church met last evening at the church for the regular April meeting. At six o'clock a delicious picnic supper menu was served by Miss Louise Guyette and a committee of assistants. After the serving of supper the regular meeting was held. Miss Carrie Spiras led the devotional services and Miss Edith Dawdy was the program leader. "The Life of Service" was the subject of the evening and Miss Dawdy was assisted in giving the program. Misses Mae Edmonds, Elizabeth Long, Lulu Wood and Elizabeth Barr. The meeting adjourned before the beginning of the revival services in the church. There were about twenty five members of the Chapter present at the meeting.

Monday Conversation Club Met Yesterday.

The Monday Conversation Club met yesterday afternoon with Miss Alice Phillips as hostess at her home on West College avenue. The roll call was answered by stories from Italian Operas and Mrs. H. A. Perrin led the discussion of Italian Operas, giving resumes of the most important operas and a commentary on the famous French composers. Miss Phillips assisted Mrs. Perrin in presenting the subject. At the close of the program a delightful social hour was held and attractive refreshments were served.

Hostess to College Hill Club.

Mrs. W. F. Brown entertained the members of the College Hill Club yesterday afternoon at the home of Mrs. R. A. Gates of West Lafayette avenue. The paper of the day was given by Mrs. R. P. Joy who took as her subject, "Women Musicians." Mrs. Joy told of the famous women who have been prominent in the musical history of the different countries. Dainty refreshments were passed by the hostess.

Birthday Party For Frank Meneses.

A birthday and April fool party was given at the home of Mr. and Mrs. Angel of Doolin avenue Saturday night in honor of rank Meneses. Each guest was the recipient of an April fools package. The evening was spent in dancing and later refreshments were served.

MATRIMONIAL

Covey-Dalton.

The marriage of Miss Birdie Dalton of Jacksonville and Sanford Covey of Nortonville, occurred Sunday afternoon at 3 o'clock at Centenary Parsonage. Rev. C. D. Robertson officiating. Mrs. Covey is the youngest daughter of Mary Green Dalton and is a highly respected young lady whose many friends wish her a long and happy married life.

Mr. Covey is the son of Mrs. Rhoda Covey, also was raised in Morgan County. He is a farmer and the happy couple will locate on a farm near Prentice.

Lakin-Tribble

The marriage of Roy Lakin of Manchester and Miss Margaret Luyena Tribble of Franklin was solemnized at noon Monday, the ceremony being performed by Squire W. T. Dyer at his office on West State street. The ceremony was witnessed by G. J. Dowell and Miss Mary Yeager.

The bride is a daughter of Mr. and Mrs. George Tribble, prosperous farmers residing near Franklin. She has been attending school in Franklin and making her home with Mr. and Mrs. G. J. Dowell for the past eight months. Mrs. Lakin is a charming young woman and has a host of friends in her home community.

Mr. Lakin is a son of Mr. and Mrs. Frank C. Lakin, well known residents of Franklin. He is a graduate of the Manchester high school and later attended Illinois college in this city for two years. He has been engaged as an operator on the C. & A. for about four years, and is a young man who is held in high esteem by all who know him. It was while employed as operator at Yeomans that he met the young woman who Monday became his bride.

Mr. and Mrs. Lakin will visit for a few days at the home of the groom's parents in Manchester and then will go to Ashland, where the groom is now employed as operator. Their many friends unite in hearty good wishes.

World's Fellowship Chairman—Mary Dunscomb.

Bible Study chairman—Irene Groves.

BOY IS INJURED

Donald, son of Mr. and Mrs. Frank U. Correa of West Walnut street, was painfully injured Monday. He and his brothers were assisting a neighbor in removing a Victrola to the latter's home in a Ford truck. In some way the boy lost his balance and fell, the Victrola falling upon him. He was given the proper medical attention and later was reported to be resting comfortably.

WEEK END GUESTS

Miss Helen Skiles of Virginia and Miss Stella Williams of Pittsfield were week end guests of Miss Josephine Conboy at her home, 706 West College avenue.
